adidas Golf is committed to be the very best.

More than shirts, pants and jackets, we deliver golf-specific apparel created around scientific evidence of what promotes improved athletic performance. Through constant research and innovation, we make equipment engineered with advanced technologies to optimise the body's potential and push the limits of performance.

adidasGOLFTECHNOLOGIES

Our relentless pursuit of innovation is never-ending and our technologies bring about progressive products that look, fit, feel and perform better than any other brand.

FORMOTION®

OPTIMAL FIT AND COMFORT

- Sport-specific 3-dimensional engineering optimises fit and comfort
